Press Release

For immediate release

Addition of Urs Pelizzoni as Member of the Board of Directors of AMROS Group

10th August 2023, Kloten Airport, Switzerland

We herewith announce the appointment of Urs Pelizzoni as a Member of the Board of Directors of the AMROS Group. As a former CCO of Switzerland based Chair Airlines and now CEO of the green innovation technology company Uniwastec, Urs Pelizzoni brings along strong cross industry expertise from aerospace, environmental technology, AI and machine learning, banking, and finance to name a few areas. Urs Pelizzoni is a highly motivated and charismatic professional, who builds trust easily across all levels.

Urs Pelizzoni joined the Board of Directors as per 1st of July 2023 and will bring an independent set of industry knowledge and perspective into the business activities of the AMROS Group to further stay one step ahead in terms of quality, ease of doing business and innovation.
